

Model Loadoll III

Proven Solutions

**LANDOLL LOADOLL III
HEAVY DUTY CARRIER**

Hydraulic Control Box
A well protected, illuminated hydraulic control box is located just rear of the axle.

Hydraulic System
The Loadoll III uses welded hydraulic cylinders with chrome plated rods for long trouble-free service.

Standard Stabilizer Bar
The heavy duty stabilizer bar also serves as a dock level hydraulic lift that raises the bed to a maximum of 59" with 30,000# capacity.
